

18 Years of Kindness, Compassion, Love...

In 2007, AIDS Services for the Monadnock Region (ASMR) raised over \$265,000 from federal, state and private sources to provide housing, medical and social services for our 34 clients and their family members. We even created a food pantry to free up Community Kitchen resources for others.

2007 Board of Directors

If not for ASMR, the budgets of NH towns and cities would have had to absorb all or part of these costs.

Because of our important work and the good reasons listed below, we ask you to support our Annual Appeal.

AIDS Services for the Monadnock Region

HIV+ Classroom Speaker & Educator \$50
HIV Testing & Counseling \$100
